- Notes:
- [1]

Date of the transaction as appearing on any contract signed.
- [2]

Name of the legal entity (individual, company, or organization) who leases or lets a property to another; a landlord.
- [3]

If the land is publicly owned enter Y, if not enter N.
- [4]

Date when the land was purchased and the contract number.
- [5]

State the area of land owned. Clearly state the unit used e.g. m², acres, hectares etc.
- [6]

Amount paid in your accounting currency.
- [7]

Specify the length of the contract in months.
- [8]

Transfer tax is a tax imposed by a government on the passing of a title to property from one person or entity to another. Specify the transfer tax paid when the property/land was acquired.
- [9]

Business tax paid for each Land Use Right (LUR) over the Period of Investigation (POI).
- [10]

Refers to the land tax paid for each Land Use Right (LUR) over the POI.
- [11]

Amortisation of land use rights typically involves spreading the cost of acquiring the right to use land over its useful life. Enter a value if applicable.
- [12]

Cite the appendix number(s) for any supporting evidence provided.
