The state-owned mixed-ownership reform fund took a stake in Estun's subsidiary

2024/07/25 17:57 Xinhua Daily Finance

Xinhua Daily Financial News Recently, the reporter learned that the listed company Estun's subsidiary, Estun Intelligent Technology (Jiangsu) Co., Ltd., has undergone industrial and commercial changes. According to the Tianyancha APP, it added China State-owned Enterprise Mixed Ownership Reform Fund Co., Ltd. as a shareholder, and the company's registered capital increased from about 349 million yuan to about 363 million yuan.

It is understood that Estun was founded in 2002 and landed in the capital market in 2015, and its main business includes industrial automation products, robots and intelligent manufacturing systems and industrial digital products. Estun Intelligent is a R&D and manufacturer of industrial automation intelligent equipment, and the company has industrial robots and intelligent manufacturing system production lines. At present, the controlling shareholder of Estun Intelligent is Estun, and other important shareholders include National Manufacturing Transformation and Upgrading Fund Co., Ltd., General Technology High-end Equipment Industry Equity Investment (Tongxiang) Partnership (Limited Partnership), etc.

After years of development, Estun has become one of the "Four Little Dragons" of domestic intelligent industrial robots. The introduction of the state-owned mixed reform fund by the subsidiary may further enhance its competitiveness in the industry.

国有混改基金入股埃斯顿子公司

2024/07/25 17:57 新华日报财经

新华日报财经讯 近日，记者获悉上市公司埃斯顿旗下公司——埃斯顿智能科技（江苏）有限公司发生工商变更。根据天眼查APP显示 ,其新增中国国有企业混合所有制改革基金有限公司为股东，同时公司注册资本由约3.49亿元增至约3.63亿元。

据了解，埃斯顿成立于2002年，于2015年登陆资本市场，主营业务包括工业自动化系列产品、机器人及智能制造系统和工业数字化系列产品等。而埃斯顿智能是一家工业自动化智能设备研发生产商,公司拥有工业机器人、智能制造系统产线。目前埃斯顿智能控股股东为埃斯顿，其他重要股东包括国家制造业转型升级基金股份有限公司、通用技术高端装备产业股权投资（桐乡）合伙企业（有限合伙）等。

经过多年的发展，埃斯顿已经成为国产智能工业机器人“四小龙”之一。此番子公司引入国有混改基金，或将进一步增强自身在行业里的竞争力。
