Welcome to **Greenworkstools.co.uk** . This is our manufacturers' online shop, managed and handled in the UK by our distributor Handy Distribution. Handy are the largest distributor of garden tools and accessories in the UK and we are pleased to partner with them on this site..

Who are Greenworks?

Greenworks is a world leading brand owned by Globe Holdings Ltd. The Globe Tools Group is one of the world leading producers of Lithium Ion battery products, and we focus on our core competencies of garden and power tools.

Globe Tools own and manufacture the Greenworks®, Greenworks Commercial®, Powerworks® and Cramer® brands of cordless power tools and electric pressure washers worldwide.

We also manufacture products for other leading brands in the USA and European markets.

At Greenworks Tools we offer industry leading cordless garden tools. We passionately believe in changing petrol and electric tools to cordless. They are so much easier to use, cheaper to run, and are much cleaner and greener, with zero in use emissions. Best of all once you have bought a Greenworks tool, you can then buy other tools to fit the same battery and charger, making it easier and cheaper to own and use garden and power tools for many uses around your home.

Greenworkstools.co.uk is the UK online store of the Greenworks Tools brand.
