RTK Robot Lawn Mower UK: The Ultimate Guide to Wire-Free Precision Mowing

May 25, 2026 By Zoey Sun

Across the UK, more and more homeowners are turning their attention to RTK robot lawn mowers—and it’s not hard to see why. With post-Brexit labour shortages pushing up gardening costs, and a growing desire for that perfectly manicured, striped British lawn, the appeal of a high-precision, fully autonomous mowing system has never been stronger.
