How-To's & Guides

How to install a robotic lawn mower

Which robotic lawn mower to buy?

There are already more than three million homeowners and professionals around the world who trust Husqvarna robotic lawn mowers to keep their lawns in perfect shape – equipped with the latest technology, such as GPS-assisted navigation and built-in sensors, for a hassle-free user experience. While you spend your time the way you want, Husqvarna robot lawn mowers are quietly and independently doing the hard work with unmatched efficiency. With the Automower® Connect app, your robotic lawn mower is ready to be connected to your smartphone and smart home integration. Voice control allows you to ensure your lawn stays healthy and well-kept with a single command. Discover our extensive range of robot lawn mowers without perimeter wire and models with a physical wire – there is always a Husqvarna robotic lawn mower to match your …
