

Annex F6.
(Non - Confidential version)

All subsidy measures

Annex to OFC Application Form

The Applicant has identified 69 subsidy measures applied by the Chinese OFC producers.

This Annex provides the following publicly available information on the subsidy measures: (i) **name of the measure**; (ii) **commandment date of the measure**; (iii) **value of the subsidies granted under the measure**; (iv) **the periodicity of the measure**; (v) **the eligibility criteria to apply the measure**; and (vi) **the region where the measure is applicable**.

Even though some of the programmes, policies and guidelines are generally applied at the national and centralized level, in combination with other measures they form a part of the specific subsidies.

The Applicant is unable to provide some information on specific measures, because it is not publicly available. In addition, the Applicant is unable to find some of the subsidy measures (underlined in orange in the Annex).

In addition, the Applicant is unable to access some of the measures (underlined in blue), because the Chinese websites do not permit it.

1. Land use information	Notice of the Ministry of Health on the introduction of the National Register of Specialized Medical Institutions for evaluation of the quality of medical services (No. 1000) (2006)	RUSSIA	2006	January 10, 2005	Presented at the meeting on the quality of medical services to be organized by using information technologies. The meeting was held on the basis of the project of the Ministry of Health of the Russian Federation.	Information not available	Reducing waiting times, communication with patients, increasing transparency, transferring information and systems management, and information resources, software and hardware.
