

Dimpomar – Project Translations (English)

Project 1

Project Title: Hiring of Highly Qualified Human Resources (SME or CoLab)

Project Code: ALT20-05-3559-FSE-000097

Main Objective: Promote the sustainability and quality of employment and support labor mobility

Region of Intervention: Alentejo – Vila Viçosa

Beneficiary Entity: Dimpomar – Rochas Portuguesas, Limitada

Approval Date: 10-03-2021

Start Date: 01-10-2020

Completion Date: 30-09-2023

Total Eligible Cost: €85,140.09

European Union Financial Support: ESF – €42,570.01

Objectives, Activities, and Expected Results:

This project aims to hire a highly qualified human resource, integrated into the company's innovation and growth strategy, through mobilization of Investment Priority 8.5 "Adaptation to change of workers, companies and entrepreneurs," supported by the European Social Fund (ESF). The main goal is to foster the competitiveness of Dimpomar in particular, and of the Alentejo region as a whole.

Project 2

Project Title: SDF 365 – Stone Digital Fabrication

Project Code: ALT20-01-0853-FEDER-046192

Main Objective: Strengthen the competitiveness of small and medium-sized enterprises

Region of Intervention: Alentejo – Vila Viçosa

Beneficiary Entity: Dimpomar – Rochas Portuguesas, Limitada

Approval Date: 31-12-2019

Start Date: 01-09-2019

Completion Date: 31-08-2021

Total Eligible Cost: €553,707.00

European Union Financial Support: ERDF – €304,538.60

Objectives, Activities, and Expected Results:

The "SDF 365 – Stone Digital Fabrication" project aims to equip the headquarters (Vila Viçosa) with techniques and technologies that reorient the operational model toward Industry 4.0, ensuring greater productivity, the exploration of new geometries, increased flexibility and connectivity between equipment, software, and people. It creates conditions for the company to promote a development and growth strategy centered on the "virtual stone" market.
