

## **12. Limited access to unused quota in next quarter of same year**

Any unused quota allocated for steel goods originating in a country or territory remains available in the next Quarter for steels goods originating in that country or territory. Any unused balance may cumulate within the same year but any quota remaining at the end of each year is not available in the next year.

## **13. Open access to unused quota in quarter 4 of each year**

Importers of steel goods originating in a country or territory with an exhausted quota allocation for the year may, only in Quarter 4 of that year, apply for the right to use any remaining quota allocated for steel goods originating in all other countries or territories.

## **14. Quota amount and allocation for year 5**
