Note to the public file summarising time extension granted for submission of registration form

The Trade Remedies Authority (TRA) has received an application for an extension of time to submit the registration form.

Having considered the application, the TRA has determined that granting the extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	Reason for granting extension	New due date for completed questionnaire response
Hanwha Solutions Corporation (HSC)	• Peak summer holiday period in South Korea • Complex data retrieval through trading companies	28 August 2026
