**RE: INVESTIGATION No. AD0094 -Poly(ethylene Terephthalate) (PET) Safeguard
Investigation**

The Embassy of the Republic of Lithuania to the United Kingdom would like to express its serious concern regarding the initiation of the above-mentioned safeguards investigation (SG0094). However, we trust that the investigation will not distort the conditions prevailing in free-market economies and will be conducted in accordance with the relevant requirements of the WTO Agreement on Safeguards.
