DUMPING INVESTIGATION
CASE No. AD0092
Suspension Polyvinyl Chloride (S-PVC) originating in China, Mexico and South Korea
Notification of sample

In accordance with regulation 56(4) of the Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019 (the Regulations) on 16 September 2026 the TRA published a Notice of Proposed Sample. The TRA has not received any submissions or comments from parties in response to the proposed sample.

Accordingly, the TRA considers it appropriate to limit its examination to a sample of overseas exporters and importers pursuant to regulations 56(2) and 57(2) of the Regulations. In accordance with regulation 54(4) of the Regulations the TRA shall limit the issuing of questionnaires to those interested parties included in the sample (and set out below).

All sampled interested parties are expected to provide adequate responses to questionnaires and allow the TRA to verify the data provided.

Importer sampling

Based on the information available to the TRA, the sample is composed of the following importers:

1. Anonymous importer
2. Amtico International

In accordance with Regulation 56(3) of the Regulations, the sample is based on the largest volume of exports from China, Mexico and South Korea to the UK that the TRA is reasonably able to investigate.
