Notice of the impending expiry of anti-dumping duty on certain hot-rolled flat products of iron, non-alloy or other alloy steel originating in the Russian Federation, Federative Republic of Brazil & Islamic Republic of Iran

(TD0026)

1. As provided for in regulation 70(3) of the Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019 the TRA gives notice that the anti-dumping measures mentioned below will expire on the date set out in the table below. The procedure to make an application for an expiry review is set out below.

2. Procedure

UK producers or their representatives may submit a written application for a review. This application must contain evidence that the expiry of the measures would be likely to result in a continuation or recurrence of dumping and injury. Should the TRA decide to review the measures concerned, importers, exporters, representatives of the exporting country and UK producers will then be provided with the opportunity to comment on the matters set out in the application.

UK producers or their representatives who wish to apply for a review are encouraged to contact the TRA's Advisory Service on contact@traderemedies.gov.uk. The Advisory Service can provide guidance and review draft requests.

3. Time limit

UK producers or their representatives may formally submit a written request for a review on the above basis, to reach the TRA at any time from the date of the publication of this notice but no later than three months before the date of expiry therefore by 23:59pm on 7 July 2027. Formal submission must be made via the TRA's online system, the TRS. The measure expires at midnight (00:00) of the day set out below.
