

Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of questionnaire responses to the case:

IR0093 – Ceramic Tableware and Kitchenware originating in the People’s Republic of China (PRC)

The Trade Remedies Authority (TRA) received applications for an extension of time to submit questionnaire responses.

Each application for an extension of time has been assessed individually, taking into account the reasons for the request, the individual circumstances of the company, and the anticipated impact of the requested extension on the case timeline.

Having considered the applications, the TRA has determined that granting certain extensions would not significantly impede the progress of the review, and has therefore decided to grant extensions to the following parties:

Company name	New due date for completed questionnaire response
1882 Ltd	Wednesday 14 October (23:59 BST)
Churchill China (UK) Ltd	
Lesser & Pavey Ltd	
Liling Top Collection Industrial Co. Ltd	
Hunan Quanxiang Ceramics Corp. Ltd	

Please contact the case team at IR0093@traderemedies.gov.uk if you have any questions relating to this review. If you have any comments in relation to the review that you would like the TRA to consider within its analysis, these should be submitted through the Trade Remedies Service (<https://portal.trade-remedies.service.gov.uk/>) and you will be required to upload both a confidential and non-confidential version of any such submission.
