Anti-dumping investigation
Case AD0075
Boom lifts originating in the People's Republic of China (PRC)

Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of comments on the Statement of Essential Facts

21 October 2026

The Trade Remedies Authority (TRA) received applications from Lingong Heavy Machinery Co., Ltd., Zhejiang Dingli Machinery Co., Ltd. and Niftylift Limited for extensions of time to submit comments on the Statement of Essential Facts (SEF).

Each application for an extension of time has been assessed individually, taking into account the reason for the request, the individual circumstances of the company and the anticipated impact of the requested extension on the investigation timeline.

Having considered their applications, the TRA has determined that granting the extensions would not significantly impede the progress of the investigation. The TRA has therefore granted each of the following parties an extension until 23 October 2026 to submit comments on the Statement of Essential Facts:

Company name	New deadline for comments on the SEF
Lingong Heavy Machinery Co., Ltd.	23 October 2026
Zhejiang Dingli Machinery Co., Ltd.	23 October 2026
Niftylift Limited	23 October 2026
