Note to Public File

Note to the public file summarising time extension granted for submission of questionnaires

The Trade Remedies Authority (TRA) has received several applications for an extension of time to submit the questionnaires.

Having considered the extension applications, the TRA has determined that granting extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
The Amtico Company Limited	Complicated nature of retrieving the appropriate data due to range of products purchased and number of suppliers	6 November 2026
Hanwha Solutions Corporation (HSC)	• Peak holiday period in South Korea • Complex data retrieval through trading companies	6 November 2026
LG Chem Ltd	• Peak holiday period in South Korea • Several key personnel have limited proficiency in English	6 November 2026
Mexichem Resinas Vinilicas	Complex data retrieval through the global group	6 November 2026
Tianjin Bohua Chemical Development Co Ltd	Peak holiday period in China	6 November 2026
