Trade Remedies Authority

Extensions - Note to Public File

AD0086: Rutile titanium dioxide originating in the People's Republic of China.

Note to the public file summarising time extensions granted for the submission of responses to the statement of essential facts (SEF).

The Trade Remedies Authority (TRA) has received applications for extensions of time to submit responses to the SEF.

Each application for an extension of time has been assessed individually, taking into account the reason for the request, the individual circumstances of the company and the anticipated impact of the requested extension on the investigation timeline.

The TRA has determined that granting certain extensions would not significantly impede the progress of the investigation, and has therefore decided to grant extensions to the following parties:

Interested party/contributor name:	New deadline for submitted SEF response:
• Henan Billions Advanced Material Co. • Ltd., • LB Group Co., Ltd., • LB Lufeng Titanium Industry Co., Ltd., • LB Sichuan Titanium Industry Co., Ltd., • LB Xiangyang Titanium Industry Co., Ltd., and • Billions Europe Ltd.	On or before 09:00 UK time on 2 November 2026.
