

Summary of Confidential Appendices

This Appendix contains a summary of the confidential Appendices which have not been made public.

Due to the sensitivity of the gathered data, it is impossible to summarise the confidential information in the Appendices listed below, as the disclosure of such business proprietary information would be of significant competitive advantage to any competitor. In addition, some Appendices have been provided on a confidential basis as they have been obtained from a subscription service or market intelligence.

Appendix A.3 – Niftylift's Products

Contains detailed information about the Applicant's machine models, including models that are not currently produced and those that are in development for 2026 production.
