11 November 2025

Dear Sir/Madam,

Subject: Tariff Rate Quota Review – Commodity Code 7208512010

Background:

[Redacted]

Change in circumstances:

[Redacted]

Issue:

[Redacted]

Proposed resolution: Exemption of commodity code 7208512010 from safeguard.

Key points:

1. **Technical Requirements.** Babcock has the following technical requirements

[Redacted]

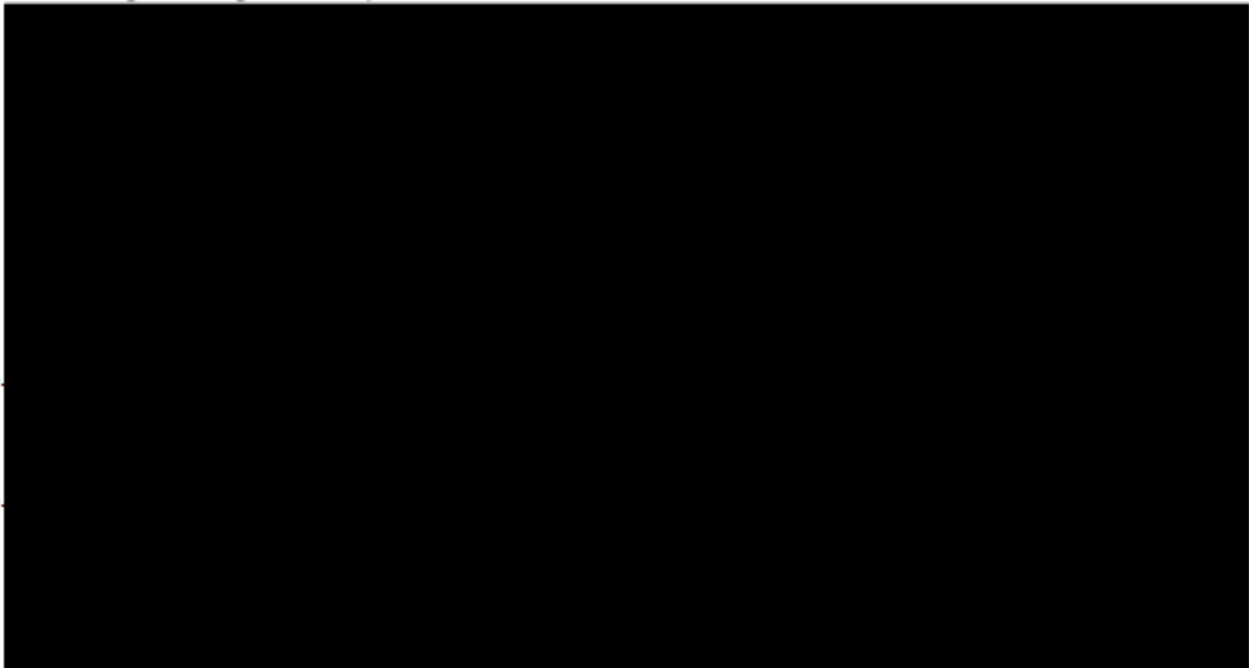

Babcock International Group

Babcock International Group
Rosyth Royal Dockyard Ltd
Rosyth
Fife
KY11 2YD

www.babcockinternational.com

2. Planning and Logistics Requirements.

3.

4.

Conclusion: Babcock wishes Government departments (HMRC, Trade Remedies & MOD):

To note:

- A. The considerable variety and complexity of steel required to support shipbuilding.
- B. The importance of Shipbuilding to the Company as well as the regional economy.
- C. That building a shipbuilding export business is dependent on optimising costs.

To agree that:

- D. Babcock should be exempted or refunded steel tariff costs (from South Korea or any other worldwide source).
