## Decision of the State Intellectual Property Office on the award of the 23rd China Patent Award

Release time: 2022-07-26

Font size: large , medium and small

Guozhi Fayun Zi [2022] No. 31

Intellectual property offices of all provinces, autonomous regions, municipalities directly under the Central Government and Xinjiang Production and Construction Corps, Sichuan Intellectual Property Service Promotion Center, relevant local centers, intellectual property management agencies of relevant departments and units of the State Council, General Office of the Equipment Development Department of the Central Military Commission, relevant national industry associations, and relevant units:

In order to thoroughly implement Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era, fully implement the spirit of the 19th National Congress of the Communist Party of China and the 19th Plenary Session of the Communist Party of China, conscientiously implement the spirit of General Secretary Xi Jinping's important speech at the 25th collective study of the Political Bureau of the CPC Central Committee and the decision-making and deployment of the Party Central Committee and the State Council, deeply implement the intellectual property strategy, accelerate the construction of an intellectual property power, and promote the construction of a new development pattern. The inventor (designer) and relevant organizers will be commended.

According to the provisions of the "Measures for the Evaluation of the China Patent Award", after the recommendation of the intellectual property management agencies of the relevant departments of the State Council, local intellectual property offices, relevant national industry associations, as well as academicians of the Chinese Academy of Sciences and the Chinese Academy of Engineering, the China Patent Award Review Committee reviewed and publicized, the State Intellectual Property Office and the World Intellectual Property Organization decided to award 30 invention and utility model patents such as "butabutylphthalein cyclodextrin or cyclodextrin derivative cladding complexes and their preparation methods and uses", the China Patent Gold Award, "Gamma Knife" and 10 other design patents, China Design Gold Award; The State Intellectual Property Office has decided to award 60 invention and utility model patents such as "A Chinese Medicine Composition for the Treatment of Children's Appetite Cough and Its Preparation Method" and 15 design patents such as "Neutron Activation Multi-element Analyzer" China Design Silver Award; The State Intellectual Property Office has decided to award 791 invention and utility model patents such as "dry powder composition with improved drug deposition in effective parts" and 52 design patents such as "LED Garden Light (Chinese style)" China Design Excellence Award; The State Intellectual Property Office decided to award the Best Organization Award of the China Patent Award to 8 units including the Jiangsu Provincial Intellectual Property Office, the Excellent Organization Award of the China Patent Award to 20 units including the Bureau of Science and Technology for Development of the Chinese Academy of

Sciences, and the Best Recommendation Award of the China Patent Award to 18 academicians including Shu Xingtian.

For inventors (designers) who have won the China Patent Award, their awards should be recorded in their own files as an important basis for assessment, promotion and appointment, and the unit or superior competent department should give corresponding rewards.

The vast number of intellectual property workers across the country should closely unite around the Party Central Committee with Comrade Xi Jinping as the core, take Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era as the guide, take the commended patentees and inventors (designers) as examples, never forget the original intention, keep the mission in mind, forge ahead, pioneer and innovate, accelerate the construction of an intellectual property power, provide strong support for the implementation of the new development concept, build a new development pattern, and promote high-quality development, and welcome the victory of the 20th National Congress of the Communist Party of China with practical actions.
