

## **Appendix E.14 - Union Pacific - Terms & Conditions governing All-Rail-Rates - 2025**

---

*This Attachment has been designated confidential in its entirety. The document contains evidence of the US domestic freight rates and applicable terms & conditions to transport biodiesel by rails. This piece of evidence has been brought by the Complainant and is confidential in its entirety, the disclosure of which would provide an unfair advantage to its competitors. As a non-confidential summary, the Applicant indicates that the quotes provided are valid from 1 April 2025 to 31 March 2026 – i.e., covering three months of the POI.*
