

Anti-dumping investigation AD0047

Certain excavators from China

Note to public file – New information

In early 2025, Caterpillar (Xuzhou) Ltd made a submission to the TRA in the form of a questionnaire response. The TRA are currently analysing this data.

Following our analysis, any new essential facts that will be relied upon to form our final recommendation to the Secretary of State will be published on the public file, and parties will have a period of 5 working days to submit any comments on the new information.

The timeline for completion of the case remains the same as set out below.

Milestone	Date
Initiation	15 November 2023
Deadline to register an interest	30 November 2023
Questionnaires issued	29 January 2024
Deadline for receipt of questionnaires	30 calendar days from date questionnaires issued
Verification	May to July 2024
Publication of Statement of Essential Facts	25 November 2024
Provisional Determination (if required)	December 2024
Consultation on any changes to the intended final recommendation (if necessary)	Mid- April 2025
Final Recommendation	May 2025
