

## TRANSITION REVIEW No.TD0013

### Anti-dumping duties on certain aluminium road wheels originating in the People's Republic of China

#### Note to public file

5 April 2023

#### ***Introduction***

Following the publication of our [Notice of Initiation \(NOI\)](#) on 7 October 2021, the Trade Remedies Authority (TRA) have been conducting a review of the anti-dumping measure transitioned by notice issued by the Department for International Trade on 31 December 2020, in respect of certain aluminium road wheels originating in the People's Republic of China.

In accordance with our statutory guidance, we are publishing a note to the public file because this transition review has exceeded 15 months. In response to the SEF published on 14 February 2023, the TRA received submissions published to the public file and we are considering what effect those submissions and accompanying information may have on our intended final recommendation.

Please refer to the new external timeline below which sets out our expected path to the final recommendation.

#### ***External timeline***

This is an indicative timetable for Interested Parties and contributors and is in no way legally binding. We may, at times, need to deviate from the suggested timeline below if the specific circumstances of the case so demand.
