Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of Questionnaires

The Trade Remedies Authority (TRA) has received an application for an extension of time to submit a questionnaire.

Having considered the application, the TRA has determined that granting the extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
Argent Energy Holdings Ltd	Resource constraints due to (a) personnel engaged on other previously agreed business critical commitments and (b) annual leave already booked/granted.	19 January 2024
