Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of pre-sampling questionnaire.

The Trade Remedies Authority (TRA) received an application for an extension of time to submit pre-sampling questionnaires.

Having considered their application, the TRA has determined that granting a certain extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
Raleigh UK	Miscommunication of deadline	9 June 2023
