Anti-dumping Investigation on Biodiesel originating from the People's Republic of China

Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of Third Country Producer Questionnaire

The Trade Remedies Authority (TRA) received a request from Mewah Oils & Fats PTE Ltd (Mewah) for an extension of time to submit a Third Country Producer Questionnaire.

Having considered the request, the TRA has decided to extend the specified period for the submission of Third Country Producer questionnaires to the investigation to **9 December 2024**. The TRA has determined that granting this extension would not significantly impede the progress of the investigation.
