Anti-dumping investigation of Biodiesel from the People's Republic of China (the PRC)

Case No. AD0058

Extensions - Note to Public File

Note to the public file summarising time extensions granted for questionnaire re-submission

The Trade Remedies Authority (TRA) received an application for an extension of time to re-submit questionnaires following a subsequent round of deficiency checks.

Each application for an extension of time has been assessed individually, taking into account the reason for the request, the individual circumstances of the company and the anticipated impact of the requested extension on the investigation timeline.

Having considered their application, the TRA has determined that granting this extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following parties:

Company name	New due date for completed questionnaire response
Longyan Zhuoyue	17 January 2025
Xiamen Zhuoyue	17 January 2025
