Extension - Note to Public File

Note to the public file summarising time extension granted for submission of pre-sampling questionnaire.

The Trade Remedies Authority (TRA) received an application for an extension of time to submit pre-sampling questionnaires.

Having considered their application, the TRA has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
Madison Cycles	Additional time needed to obtain CEO approval for non-confidential submissions	7 June 2023
