Extensions - Note to Public File

Note to the public file summarising time extension granted for the submission of a questionnaire response

The Trade Remedies Authority (TRA) received an application for an extension of time to submit a questionnaire.

Having considered their application, the TRA has determined that granting the extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	Reason for granting extension	New due date for completed questionnaire response
Tata Steel UK Limited	Staff availability	22 May 2023
