Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of registration and pre-sampling questionnaire responses.

The Trade Remedies Authority (TRA) has received applications for an extension of time to submit **registration and pre-sampling questionnaire responses**.

Having considered the applications, the TRA has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
Kiswire Ltd.	Staff availability	24 April 2023
Bridon International Ltd.	Staff availability	24 April 2023
