Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of questionnaires.

The Trade Remedies Authority (TRA) received applications for extensions of time to submit questionnaires.

Having considered their applications, the TRA has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
Changzhou Merrygold Machinery & Electronic Co. Ltd	Extra time needed to prepare files and collect all information	22 October 2023
