**Note to the public file summarising time extensions granted for submission of
Pre-Sampling Questionnaires**

The Trade Remedies Authority (TRA) has received a request from Olleco for an extension of time to submit a Pre-Sampling Questionnaire (PSQ) in order to register to the transition review TS0065. Having considered the request, the TRA has decided to extend the specified period for Olleco's PSQ submission to 6 January 2025. The TRA has determined that granting this extension would not significantly impede the progress of the investigation.
