

Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of the questionnaire and associated annex.

The Trade Remedies Authority (TRA) received applications for an extension of time to submit the questionnaire and associated annex.

Each application for an extension of time has been assessed individually, taking into account the reason for the request, the individual circumstances of the company and the anticipated impact of the requested extension on the investigation timeline.

Having considered their applications, the TRA has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:
