

## Extensions - Note to Public File

Note to the public file summarising time extensions granted for submissions of questionnaires to the case:

**AD0059 – Certain engine oils and hydraulic fluids from Lithuania and the United Arab Emirates.**

The Trade Remedies Authority (TRA) received applications for an extension of time to register and complete the relevant questionnaires.

Having considered the applications, the TRA has determined that granting certain extensions would not significantly impede the progress of the review and has therefore decided to grant extensions to the following parties:

Company name	New due date for completed questionnaire response
SCT Chemicals FZE	30 September 2024
Chempioil FZE	30 September 2024
Lubriage Ltd	20 September 2024
UAB SCT	24 September 2024
Paterson Enterprises Ltd	23 September 2024
Granville Oil & Chemicals Ltd	25 September 2024
Aztec Oil	18 September 2024

The case team are working through deficiencies with parties that have submitted their documents and will be publishing the non-confidential questionnaires to the public file once this process is completed.
