

Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of Pre-Sampling Questionnaires

The Trade Remedies Authority (TRA) received an application for an extension of time to submit a Registration of Interest.

Having considered their application, the TRA has determined that granting certain extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	Reason for granting extension	New due date for completed questionnaire response
Greenery	Changeover of key personnel and technical issues with TRS.	1 November 2023
