

Extension – Note to the Public File

Note to the public file summarising time extension granted for submission of a questionnaire to AS0067 – HVO from the US

The Trade Remedies Authority (TRA) received an application for an extension of time to complete and submit a full questionnaire. Having considered the application, the TRA has determined that granting the following extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Party Name	Reason for granting extension	Request date	Number of days granted	New date for completed questionnaire response
Certas Energy UK Ltd	(i) Required resources have planned leave and others have been involved in an audit.	29 May 2025	5 further days from original extension date of 2 June 2025	7 June 2025
