## Extensions - Note to Public File

**Note to the public file summarising time extensions granted for submission of questionnaire responses to the case TS0069 – Continuous Filament Glass Fibre Products originating in Egypt.**

The Trade Remedies Authority (TRA) received an application for an extension of time to submit a questionnaire response.

Having considered the application, the TRA has determined that granting this extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Party name	Reason for granting extension	New due date for completed questionnaire response
Trade Remedies Sector, Government of Egypt (GOE)	Resourcing related factors, including the extent and detail of questions within the Foreign Government Questionnaire, and the need for the GOE to coordinate with several government authorities and arrange translations in preparing its response.	28 July 2025
