

## Extension – Note to Public File

### Note to the public file summarising a time extension granted for submission of a questionnaire to AS0067 – HVO from the US

The Trade Remedies Authority (TRA) received an application for an extension of time to complete and submit a full questionnaire. Having considered the application, the TRA has determined that granting a 15-day extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Party Name	Reason for granting extension	Request date	Number of days granted	New date for completed questionnaire response
<i>Office of the US Trade Representative</i>	<ul style="list-style-type: none"><li>The anti-subsidy questionnaire requests detailed information on eight alleged federal programs and thirteen alleged state programs from eight different states. Given the scope and complexity of compiling responses to these questions, additional time is required.</li></ul>	13 May 2025	15 days	7 June 2025
