Anti-dumping duties - Ceramic Tiles from PRC

Note to Public File

07 October 2022

Following the publication of its Notice of Initiation on 22 September 2022, the Trade Remedies Authority (TRA) has commenced a review of the anti-dumping measure transitioned under the Notice of Determination issued by the Department of International Trade on 31 December 2020, in respect of Ceramic Tiles originating in the People's Republic of China.

The TRA has received a request for an extension to the registration of interest period from Original Style Ltd. This is due to the technical difficulties they have experienced whilst attempting to register to the case on the online Trade Remedies Service.

The TRA has considered this request and has granted an extension to the registration of interest period in respect of Original Style Ltd. until 14 October 2022.
