

Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of pre-sampling questionnaire.

The Trade Remedies Authority (TRA) received an application for an extension of time to submit pre-sampling questionnaire.

Having considered their application, the TRA has determined that granting certain extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	Reason for granting extension	New due date for completed questionnaire response
Giant Electric Vehicle (Kunshan) Co., Ltd.	<ul style="list-style-type: none">- Entities of the company in different countries meaning different time zones make data collection difficult.- Completing questionnaire in different a language.- Public holidays reducing time to complete questionnaire.- Complex data needs to be collected.- Other work commitments for the company will take resources away from completing the questionnaire.
