

# Anti-dumping investigation of Biodiesel from the People's Republic of China (the PRC)

## Case No. AD0058

### Extensions - Note to Public File

#### Note to the public file summarising time extensions granted for questionnaire submission

The Trade Remedies Authority (TRA) received an application for an extension of time to re-submit questionnaires following deficiency checks.

Each application for an extension of time has been assessed individually, taking into account the reason for the request, the individual circumstances of the company and the anticipated impact of the requested extension on the investigation timeline.

Having considered their application, the TRA has determined that granting certain extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	New due date for completed questionnaire response
Longyan Zhuoyue	1 December 2024
Xiamen Zhuoyue	1 December 2024
