Extensions - Note to Public File

**Note to the public file summarising a time extension granted for the submission of a questionnaire response to the case:
TD0054 - Organic Coated Steel from China.**

The Trade Remedies Authority (TRA) received an application for an extension of time to register and complete the relevant questionnaire response.

Having considered the application, the TRA has determined that granting this certain extension would not significantly impede the progress of the review and has therefore decided to grant an extension to the following party:

Company name	Reason for granting extension	New due date for completed PSQ response
TATA STEEL UK LIMITED	Resourcing issues and other organisational commitments	22/07/2024
