Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of Registration of Interest Form.

The Trade Remedies Authority (TRA) received an application for an extension of time to submit the Registration of Interest Form.

Having considered their application, the TRA has determined that granting certain extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	Reason for granting extension	New due date for completed questionnaire response
International Steel Trade Association	Allow more time to compile comments around proposal	06/02/2023
