**Note to Public File**

**21 October 2022**

Following the publication of its Notice of Initiation on 22 September 2022, the Trade Remedies Authority (TRA) has commenced a review of the anti-dumping measure transitioned under the Notice of Determination issued by the Department of International Trade on 31 December 2020, in respect of Ceramic Tiles originating in the People's Republic of China.

The TRA has received a request for an extension to the registration of interest period from Topps Tiles. This is due to a change in the anticipated representation of the company's interests in this case.

The TRA has considered this request and has granted an extension to the registration of interest period in respect of Topps Tiles until 04 November 2022.
