TRANSITION REVIEW No. TD0027

Anti-dumping duties - Ceramic Tiles from PRC

Note to Public File

15 December 2022

Following the publication of its Notice of Initiation on 22 September 2022, the Trade Remedies Authority (TRA) has commenced a review of the anti-dumping measure transitioned under the Notice of Determination issued by the Department of International Trade on 31 December 2020, in respect of Ceramic Tiles originating in the People's Republic of China.

The TRA has received a request for an extension to the questionnaire response period from the British Ceramics Confederation. This is due to organisational closure during the festive period and additional capacity issues.

The TRA has considered this request and has granted an extension to the questionnaire response period in respect of the British Ceramics Confederation until 30 January 2023.
