

Extensions - Note to Public File

AD0086 Rutile titanium dioxide originating in the People's Republic of China: Note to the public file summarising time extensions granted for submission of questionnaire responses.

The Trade Remedies Authority (TRA) received applications for extensions of time to submit questionnaire responses.

Each application for an extension of time has been assessed individually, taking into account the reason for the request, the individual circumstances of the company and the anticipated impact of the requested extension on the investigation timeline.

Having considered the applications, the TRA has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

Company name	New due date for completed questionnaire response
Henan Billions Advanced Material Co. Ltd., LB Group Co., Ltd., LB Lufeng Titanium Industry Co., Ltd., LB Sichuan Titanium Industry Co., Ltd., and LB Xiangyang Titanium Industry Co., Ltd.	On or before <u>17 May 2026</u>
Billions Europe Ltd.	On or before <u>24 May 2026</u>
