## Extensions - Note to Public File

### Note to the public file summarising time extensions granted for submission of Subsidy Questionnaire (Contributor)

The Trade Remedies Authority (TRA) has granted an extension of time to submit the Subsidy Questionnaire (Contributor).

Having considered its reason for not submitting the questionnaire by the extension deadline, the TRA has determined that granting a further extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	New due date for completed questionnaire response
British Trout Association	09 April 2026
