Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of registration form.

The Trade Remedies Authority (TRA) received applications for an extension of time to submit a completed registration form.

Each application for an extension of time has been assessed individually, taking into account the reason for the request, the individual circumstances of the company and the anticipated impact of the requested extension on the investigation timeline.

Having considered their applications, the TRA has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

Company name	New due date for completed questionnaire response
Liugong Machinery (UK) Limited	22 April 2026
Liuzhou Liugong Excavator Co., Ltd.	22 April 2026
Liugong Changzhou Machinery Co., Ltd	22 April 2026
