Note to the public file summarising time extensions granted for submission of Registration Forms

The Trade Remedies Authority (TRA) received an application for an extension of time to submit registrations forms from the British Trout Association for itself and on behalf of the members of the British Trout Association.

Having considered its application, the TRA has determined that granting this extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following parties:

Company name	New due date for completed registration response
British Trout Association	13 February 2026
Members of the British Trout Association	13 February 2026

For your convenience you can access the [registration form here](#). For more information about the investigation please refer to the [public file](#).
