

**Anti-dumping investigation
Case AD0075
Boom lifts originating in the People's Republic of China (PRC)**

Extensions - Note to Public File

**Note to the public file summarising time extensions granted for submission of
Third Country Producer questionnaire responses**

05 June 2026

The Trade Remedies Authority (TRA) received two applications for extensions of time to submit the third country producer questionnaire responses.

Each application for an extension of time has been assessed individually, taking into account the reason for the request, the individual circumstances of the company and the anticipated impact of the requested extension on the investigation timeline.

Having considered their applications, the TRA has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

Company name	New due date for completed questionnaire response
Oshkosh Equipment Manufacturing S. de R.L. de C.V.	03 June 2026
LGMG de Mexico SA de CV.	05 June 2026
Skyjack México S. de R.L. de C.V.	15 June 2026
