#### **Notification of Proposed Sample – Overseas Exporters**

The TRA have received eight pre-sampling questionnaire responses from exporters of ceramic tiles from the People's Republic of China (PRC) to the UK.

In accordance with regulations 54(4), and 56(3) and (4), of the Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019, the TRA proposes to limit its examination to a sample comprising the following four exporters:

Guangdong Overland Ceramics Co. Ltd.

Foshan Shiwan Yulong Ceramics Co. Ltd.

Huida Sanitary Ware Co. Ltd.

Guangdong Jimaei Ceramics Co. Ltd.

This proposed sample is on the basis that they are Overseas Exporters, and represent the largest volume of exports from the PRC to the UK that the TRA is reasonably able to investigate.

The TRA seeks to consult and invites comment on the sample. A confidential and a non-confidential version of comments should be submitted as a general submission of evidence via the Trade Remedies Service for those registered to the case, and to [TD0027@traderemedies.gov.uk](mailto:TD0027@traderemedies.gov.uk) for those not registered to the case, by no later than 17:30 hours GMT on 24 November 2022. The non-confidential version of comments received will be published on the [public file](#).
